The authors regret that there was an error in Eq. (P1) which was published in the article stated above. The correct Eq. (P1) is printed below.

$$\begin{aligned}
 & \min_{\mathbf{z}, \mathbf{d}} C(\mathbf{z}, \mathbf{d}) \\
 & \text{s.t. } \mathbf{l}_g^L \leq \mathbf{g}(\mathbf{z}, \mathbf{d}) \leq \mathbf{l}_g^U \\
 & \mathbf{l}_d^L \leq \mathbf{d} \leq \mathbf{l}_d^U \\
 & \mathbf{l}_z^L \leq \mathbf{z} \leq \mathbf{l}_z^U \\
 & \mathbf{z} \in \mathcal{R}^{NZ}, \mathbf{d} \in \mathcal{R}^{ND}
 \end{aligned}
 \tag{P1}$$
