

Dear Bernice

Carlitos?

Many thanks for your most kind invitation. I would be delighted to be able to work for a time with you and Herman however I don't think I ~~can accept~~ could manage to leave things here ~~for a~~ during an amount of time in which I could do something profitable in Bethesda. I have people coming to our lab who expect me to be there.

~~I~~ Perhaps you know that I have a trip to USA in May. My plan is to ~~to~~ spend 2-3 days in Washington ~~before and before going to Philadelphia~~ and ~~then New York~~ around May 21. Please tell Herman that I hope ~~to~~ he is there then. This is an unofficial visit. I hope that then ~~we may~~ ~~be able~~ we may talk things over and that you will understand ~~only~~ the reasons of ~~my~~ ~~for not moving from~~ ~~staying~~ ~~in~~ Buenos Aires.

Many thanks
