

ERRATUM: “OUTFLOWS AT THE EDGES OF ACTIVE REGIONS: CONTRIBUTION TO SOLAR WIND FORMATION?”
(ApJ, 676, L147 [2008])

L. K. HARRA, T. SAKAO, C. H. MANDRINI, H. HARA, S. IMADA, P. R. YOUNG, L. VAN DRIEL-GESZTELYI, AND D. BAKER

Through an oversight, an incorrect figure was submitted for publication. Here is the correct Figure 3.

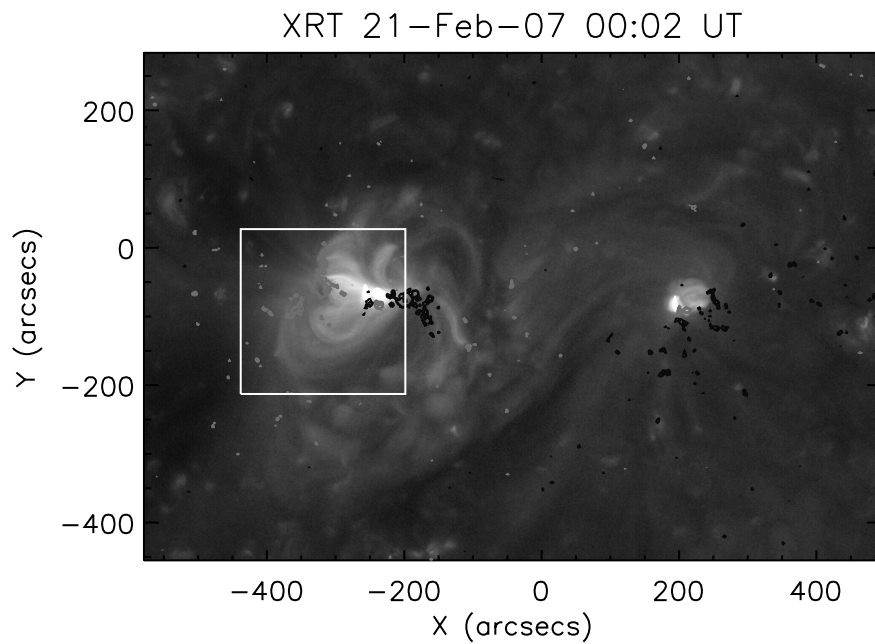

FIG. 3.—XRT image in the Ti_poly filter with the MDI magnetogram shown in contours. The contour levels are 100 and 200 with white showing the positive magnetic field. The white box shows the EIS field of view.
